Department of Transportation
Notice to Consultants
Tacoma HOV Construction Schedule Reviewer***

Washington State Department of Transportation (WSDOT) solicits interest from consultants interested in submitting a Statement of Qualifications for a Construction Schedule Reviewer for the department's high occupancy vehicle (HOV) construction program in the Tacoma area. WSDOT will award one (1) agreement for the consultant to provide no less than half-time support for the duration of the agreement. The agreement will include work on two (2) separate and concurrent construction contracts. The agreement will be for three years (with the option for an additional year) starting in February 2005, with an estimated value of \$450,000.
